

ON THE MOVE

Air Canada Cargo is moving to a new location in Honolulu and is now handled by our Star Alliance partner — United Airlines.

We want to give you better service, easier accessibility and faster cargo processing. Our new location means you'll get all this ... and more.

Better to Serve You

We offer daily flights to Vancouver, providing easy connections to all cities within Canada as well as major destinations in Europe. Our direct Sydney flight gives you access to Australia every day of the week. Using our track & trace system, you will know where your shipment is through every step of its journey.

When we are moving: September 10, 2000
