

keeping up-to-the-minute ...

track

and

trace

Online

Now, there's no need to wait to hear that your shipment has arrived. Through the Internet, you can access the **Air Canada Cargo** site and track your shipment from **beginning to end**. Feel secure in knowing that at any time of the day or night you can have up-to-the-minute information . . . **online!** We are working hard to meet all your air transport needs. Whether it's Europe, Asia or North America, call **Air Canada first!**

For more information please contact your local Air Canada Cargo representative or visit us online at:
