

Montreal

Starting June 28th, Air Canada launches Saturday and Sunday nonstop service from San Francisco to Montreal aboard its new Airbus 319 aircraft.

The new A319 aircraft offers over 2,000 kilos of bulk space capacity. This will be Air Canada's 38th new route since open skies, and it will be the only non-stop service between these two cities!

	San Francisco	Montreal
AC 672	14:25	23:10
